

## Middle School Dress Code

TAISM has a dress code that is comfortable, respectful of Oman's culture, and appropriate for our school climate:

- Students are responsible for being neat, clean and dressed appropriately.
- Wearing valuable jewelry and jewelry in quantity is discouraged. TAISM accepts no responsibility for any jewelry brought to school.
- Provocative or unusual hairstyles or coloring are not considered appropriate.
- Shoes should be comfortable and worn at all times.
- Hats are not to be worn inside the school building.
- Due to the intensity of the sun, Middle School students are urged to wear hats outside, especially during the hottest weeks of the school year. UV rays are strongest at midday (10:00 – 3:00 p.m.).
- In the Middle School, gym shirts and gym shorts are NOT to be worn at school except during Physical Education classes.
